THE

COLONIST

Dear Sally,

Thinking over all of the wonderful times we have had together is well worth remembering. We both have something in common now that we are engaged. I know you and John will truly be happy because it takes a sweet, considerate girl like you to help make a marriage successful. I only hope I can be here for the wedding because I surely want you at my wedding.

At the beach this summer maybe we can talk a little more about it. I know we both like talking about our future husbands. I love to talk about Bud and I guess everytime I turn around he's in the conversation.

May God bless you and John and make all

DEDICATED TO

"RED" HAMILTON

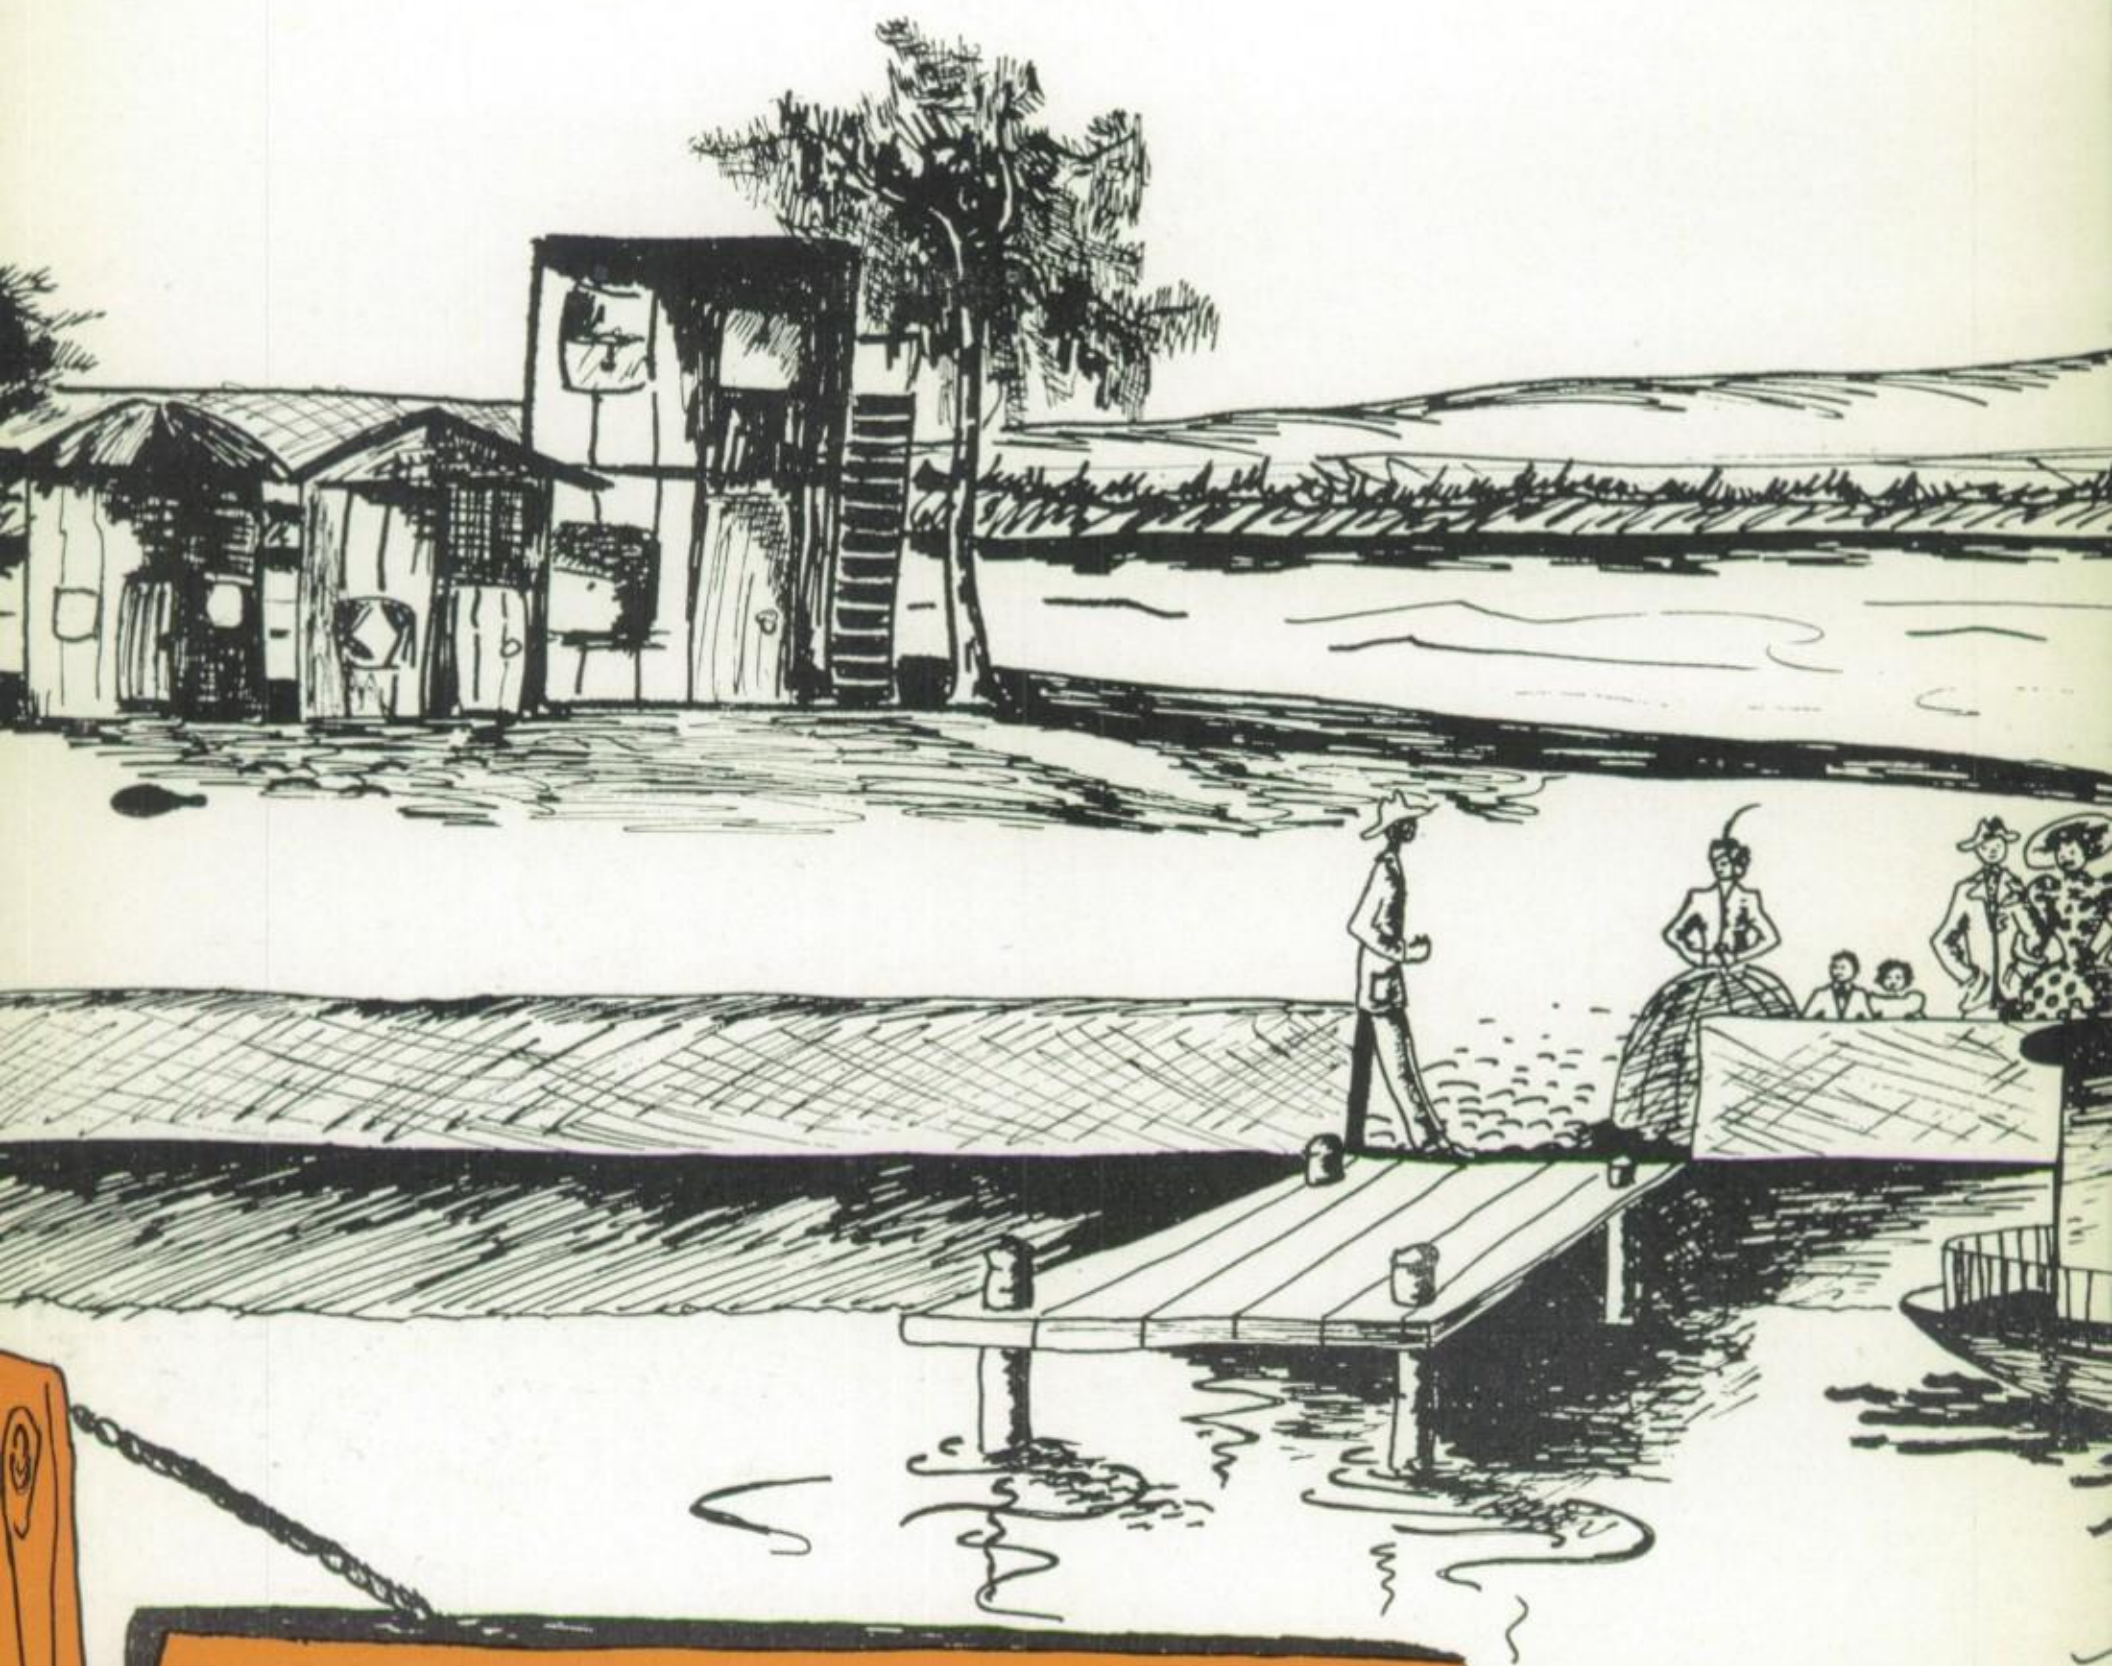

This book is dedicated to Ray G. Hamilton, who for 17 years has faithfully given his services as Stage Manager and Custodian at AUHS.

Ray, known to students and faculty as "Red", was born at Rice Lake, Wisconsin. Before coming to Anaheim in 1928 he played the piano for silent movies in a Rice Lake theater.

"Red" was employed by AUHS in 1936, and has since given his faithful and loyal services to our school.

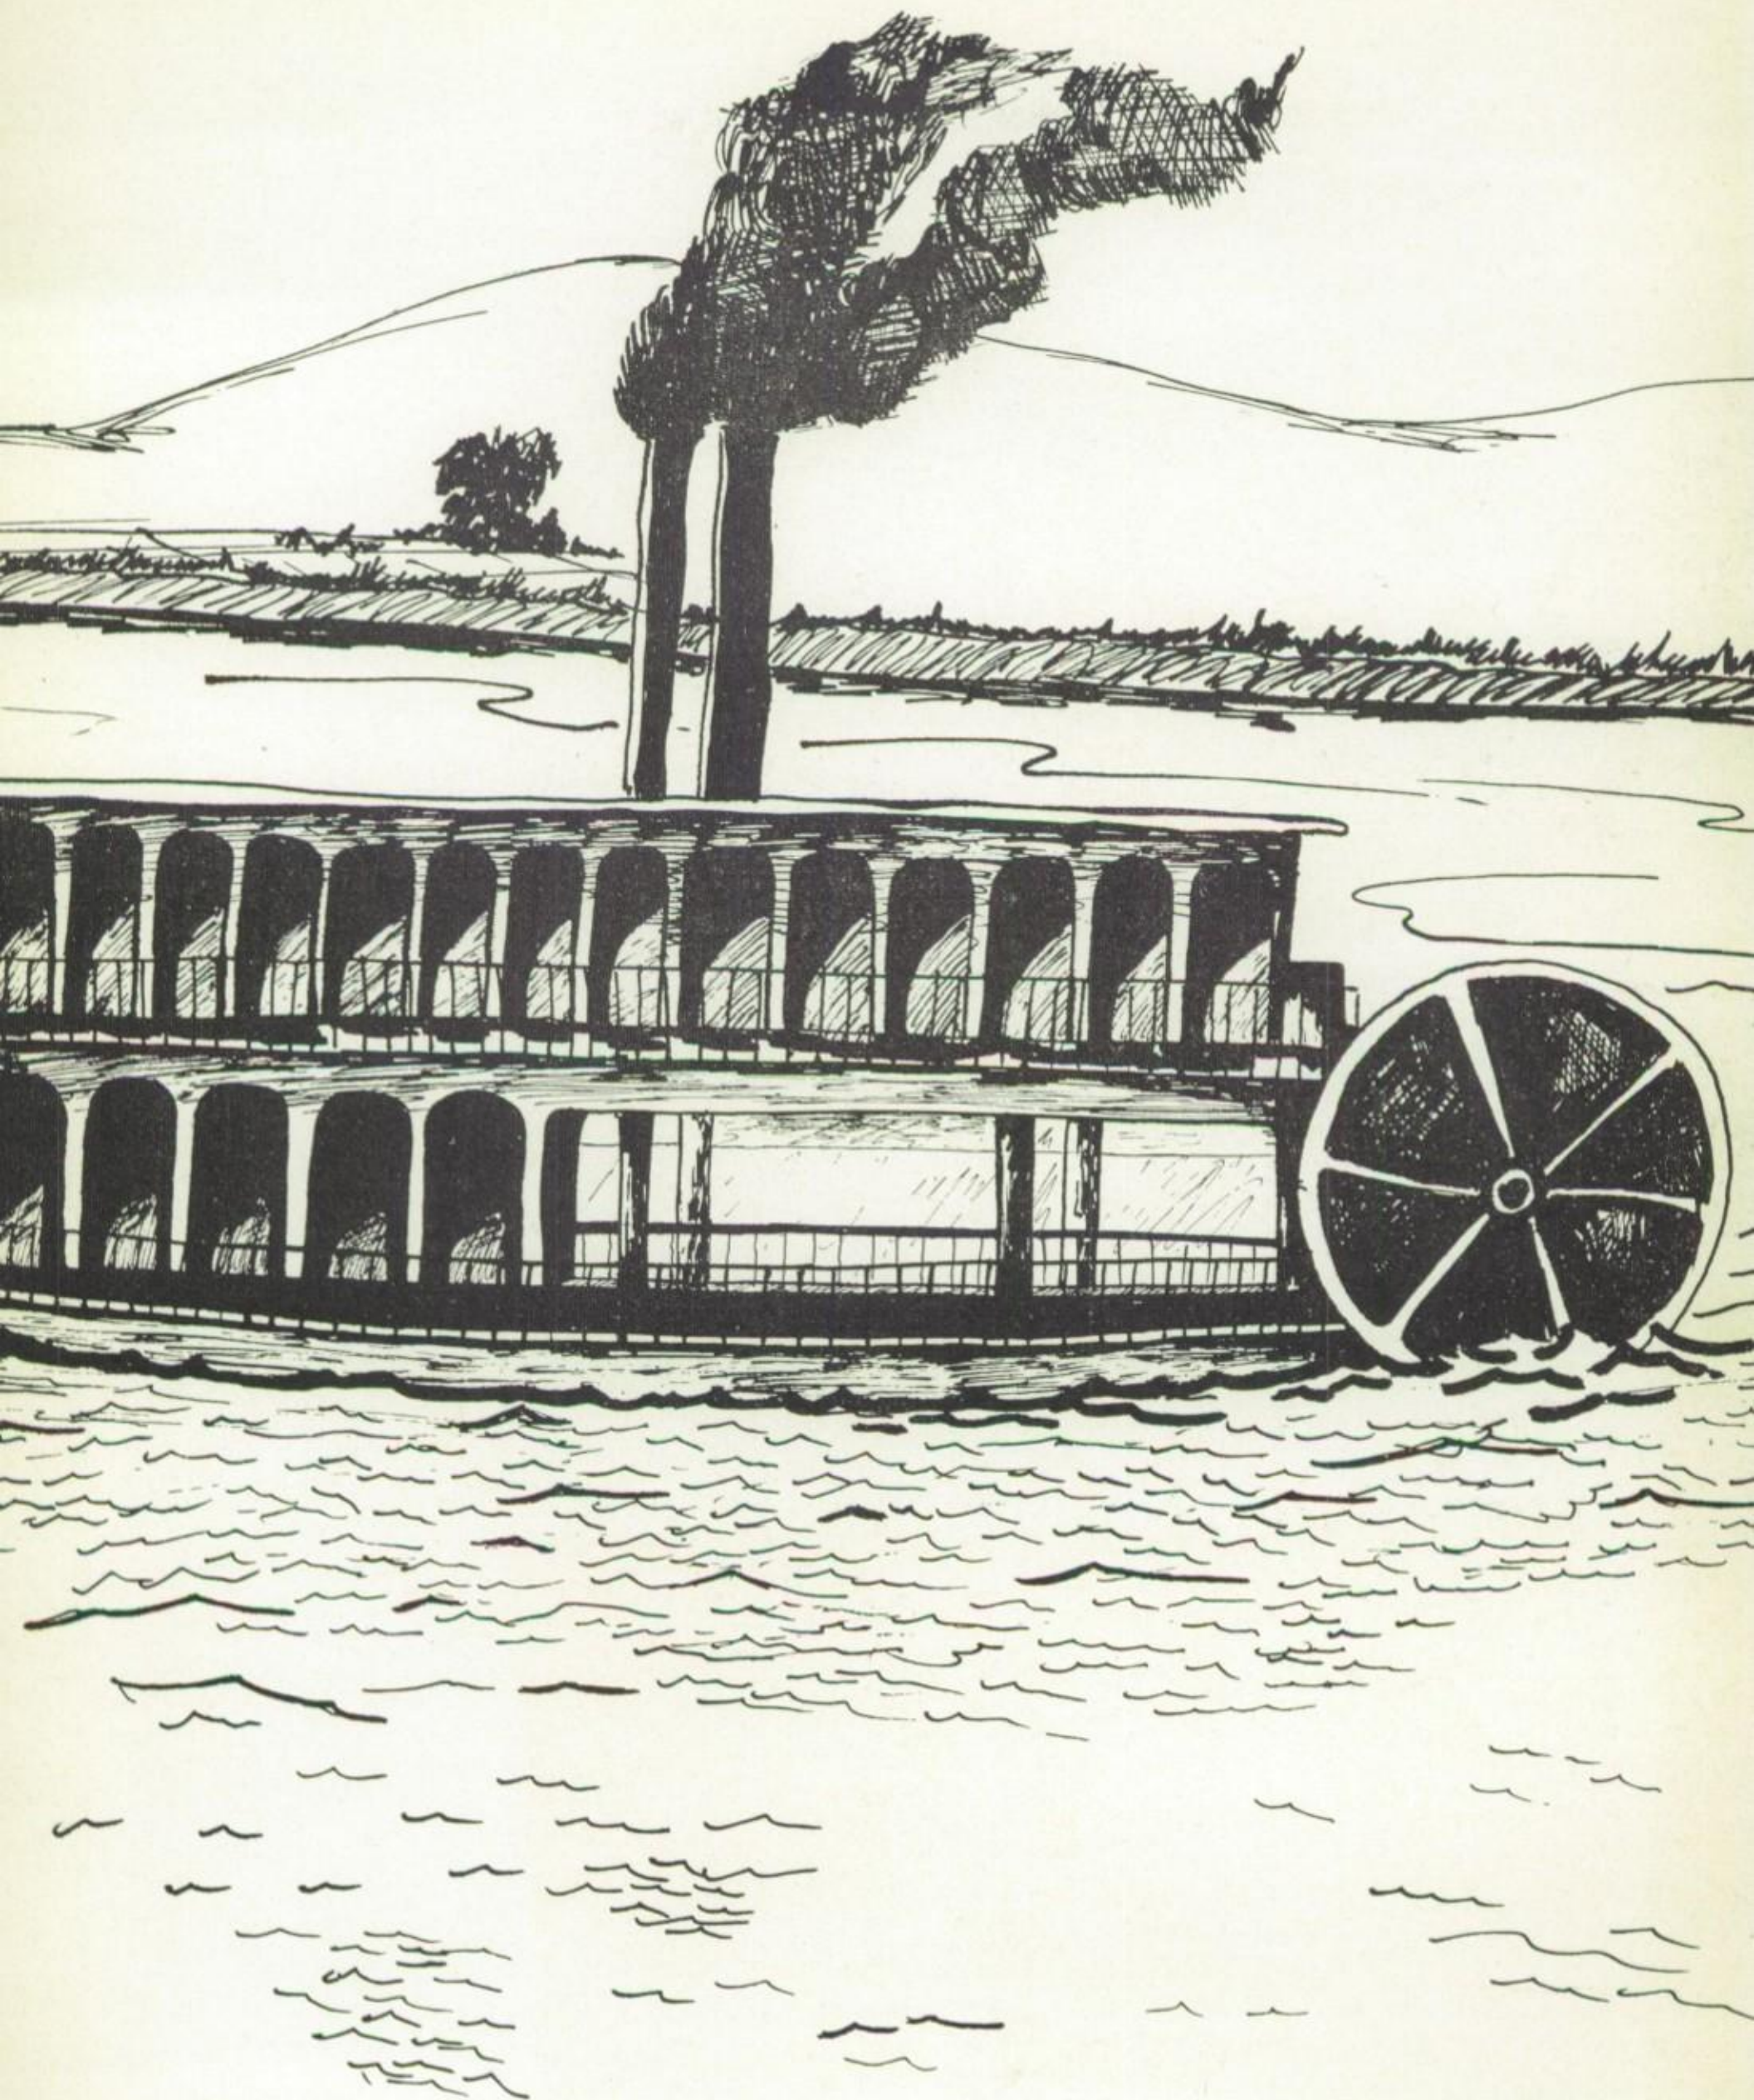

can't fully? hard
it is so hard
for me to write
about what I feel so I'll
try to do my best to write
your friendship has really
meant a lot to me these few
years that we have known each other
We have had lots of fun together.
Remember our 2 little "friends" from Fullerton?
Hooray!!! Oh, well!! I'm so glad that you have finally found
your "one" & that it is John whom you have chosen.
I know you had some rough times with some of your
former "fellows" we both have, but it seems as though
things have worked out for the best.
I can't tell you how much your advice has helped me at
times. If it hadn't been for you at times, I would have given up in
despair.
I hope that we will be able to do a lot of things together
down at the beach. I hope we get a good tan. Don't you?
May you & John find the most happiness that anyone
can have. I know that you will certainly strive for
the best in life. Bless you &
may God Bless you &
that you do. Best wishes to a
wonderful gal.

PAUL H. DEMAREE - MAYOR

Supt. PAUL H. DEMAREE

Congratulations to the class of 1953!

You are the largest class ever to have graduated from Anaheim Union High School. In many ways you have made a fine record for yourselves. You have upheld many of the cherished traditions of our school. Among these is the publication of the Annual, which means so much to each of us. Nothing could do more to preserve the many experiences we have had together during the past four years.

As you go from here to other experiences and new adventures, I am sure that you will occasionally like to think of the days at AUHS as you glance through the pages of this book.

My best wishes for your continued happiness.

Sally —

June 10th Well here we are — we've reached another milestone in our lives and June 11th will be but one more step. This year seems to have flown by and we haven't had time to really enjoy each happy occasion. Maybe in later years when we're "old & gray" we can sit back in our old easy chairs and recall a glorious past. This ^{year} seems to have been more than profitable for you. You now have a "valuable possession" which you were before searching for with much pessimism. Doesn't pay to worry does it? See you this summer — hope you don't get any browner than I. Guess I'll be seeing you at Fullerton next year. Congratulations on earning the right to the Class. It's a lucky number anyway.

To be continued

June 18th

Well, here we are at the beach at last and that fatal step has come and gone. It's too bad that our many close friends will soon be taking the various

Four years ago, as freshmen, we thought we would never get to be seniors. Now as we, the senior class, are ready to graduate we are sorry the time has come.

There were, it's true, a few problems on campus this year, such as campus cleanup, and school spirit, but with the excellent co-operation of the Student Body Cabinet and students, we were able to greatly reduce these problems.

All in all, I believe we had a very enjoyable year and I hope that next year will be as interesting to the incoming seniors as 1952-'53 has been to us.

Well Sally, it's the end of our four years together
the most important of our formative years and I'm more
than glad to have found your friendship in that time.
I only hope we are near each other for years to come
because I shall always treasure our friendship.

I don't know where to begin. To tell you the many
things you mean to me, the many things I shall
remember about you wherever I'll be. So -

Hello Sally, you stood in the gym at V.U.
our freshman year and along with us, you
were a scared freshman. After seeing
your smile and ~~finding out your name~~
I knew high school would not be such a
frightful place after all. After that,
our friendship flourished.

Through four years I have
looked forward to your smile -
I will miss it in my next years in
college. Remember last summer at the
beach - the notorious Wednesday night - I
hope if ever again I can help you in any
way you will call on me to do so. You
have often been a comfort to me. As for
the night of the Senior Barbeque, ~~we~~
~~have~~ had our times together including another
Wednesday night and Thursday morning
at Balboa this summer. I'm sorry I fell
asleep.

SHIP'S BAND

Completing the busiest year of any campus musical group, the eye-catching Colonist band marched and played at seven football games, gave several concert programs, and took part in seven parades. Highlights included leading Anaheim's Hallowe'en parade first division and a rain-drenched trip to the Long Beach All-Western Band Review. Most distant trip saw the blue and gold clad Colonist band take part in the National City parade.

Richard Reed served as band captain this year, while Manuel Flores, Joe Critchfield, Harold Andrews, Dennis Ryan, Wes Warwick, and Bill Schneider acted as sergeants.

Dear Sally,
 Well our high school days
 are finally over. We have
 had many good times together.
 There have been some very
 trying times, but we have
 always pulled through in
 the end.

I want to wish you all
 the best in the years ahead in
 your future.

Sincerely,
 Judy Belle Wicker

LOG KEEPERS

HOWARD HALL
Annual Advisor

The Colonist staff has worked hard to make this the best annual ever produced at Anaheim high. They hope it will be the one which will always stand out in your memories as you think back on the happy times you have had here at AU. They hope you will enjoy reading it as much as they have enjoyed putting it out for you.

At times the going was rough and things fell behind schedule but Editor JoAnn made the old refrain "remember the deadline" common fare in room 41 and finally sighs of relief were heard as the last pages of the book were "put to bed".

"Look at the birdie" . . . "smile" . . . "click click", that was the refrain the photographers gave as they took the many pictures during our active school year under the guidance of Mr. Ted Wade.

* * * *

Under the direction of Mr. Lloyd Ross, instructor, and Mr. Geo. Lutz, pressman, students worked hard to set type, make up page forms, and learn the arts of printing. Their efforts gave us our fine newspaper and Colonist.

PHOTOGRAPHERS—(Upper Right) Norman Sagara; (Center) Richard Bell; (Upper Left) George Nellesen; (Lower Right) Mr. Wade, instructor, and (Lower Left) George Hushman. PRINTERS—(Left to Right) Larry Burns, Mr. Lutz, pressman, Reese Worden, and Jerald Ard.

Now really -
 Well, then, we shall
 make it. Now that's
 our world sometime.
 I hope something there
 and yourself get you and
 back. Yes, wishing
 you all the best and
 happiness in the world.
 Only one thing so much
 like to ask you, really
 don't believe anything
 you hear. You can lose
 friend that way
 sometimes.

CLASSVILLE

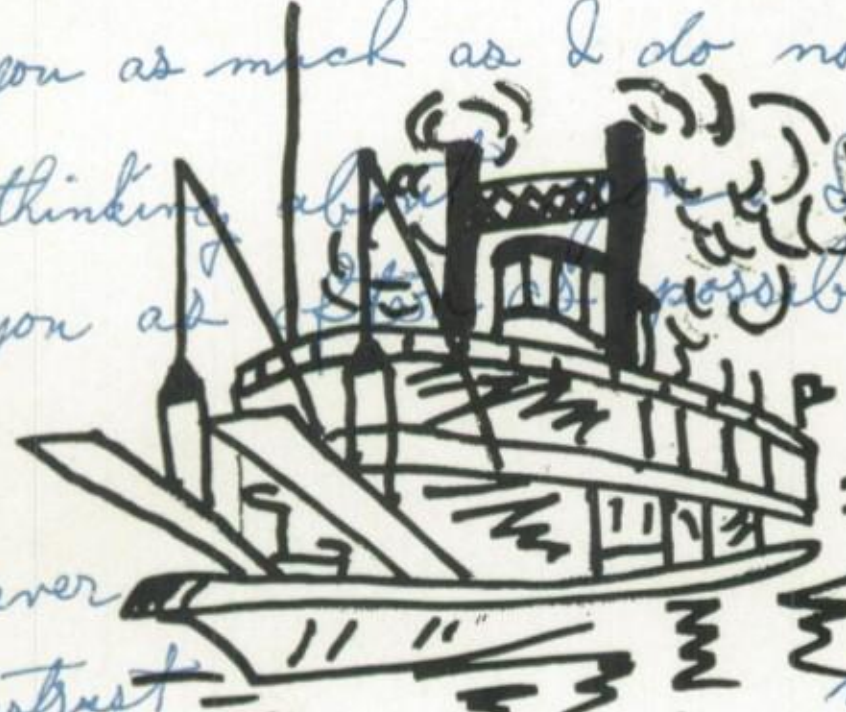

(Reserved for Johnny)

Dear Sally,

As you know I am not much of a letter writer and that I have such a terrible time trying to think up some thing to say.

Since I have been going with you I have had the best times in my life. Even though we have had some little arguments I believe that we get along ^{quite} well. Nine times out of ten it is my fault that we do have one. I guess it is bound to happen to the best of couples.

I know that I will never have any reason to distrust school. You have never given me any reason to. I hope that you will have the same trust in me because after all

Class Advisor

(Left to Right) Phillip Wright—vice-president, Mary Dougherty—secretary, Drusetta Martin—treasurer, and John Simpson—president.

The senior class of 1953 proudly hails its many memorable and colorful events; their senior play, "Our Hearts Were Young and Gay"—the purchasing of senior sweaters and class rings—the romantic mist of music, dancing and gaiety at the junior-senior prom—the final procession of smiling and solemn faces lending a last minute tear to the graduation night with its farewell to the class of '53.

jealousy is a ~~man's~~ ^{person's} worst enemy. When you can't trust a person there are always a lot of quarrels and hard feeling. I am sure that we will never have to face that problem.

Golly will I be glad when I start up at Northrop. I am getting just a little anxious about the whole deal. Well, I guess I wrote a little, so I think I will close for now.

Yours forever
Love
Johnny

That's me, I guess. Anyway one might get that idea. Oops, I almost forgot—maybe I'd better start this in the conventional way. So I'll say—

Dear Sally,

The time has come, hasn't it? Yes, unfortunately, after the many years we've been close friends at Loara and AHTS, we ~~now~~ are choosing different ~~times~~ roads of life. (Boy, am I making mistakes—hope you can read this) You soon will be a "mrs." with dozens of little "johns" running around the house. (Haha, pun!) And I will probably end up as an old maid school teacher. Let's not think about that. Can't you just see me now, a successor to Mrs. Caverley? horrors, what am I saying? I'd rather die first. I should sink so low.

Hey, friend, you are going to write me if I go away to school, aren't you? At least we won't lose track of each other if we write. I hope you will have time to, anyway.

You know what you wrote in my annual. Mom didn't approve, but I wouldn't expect her to. I thought it was really sweet of you to say it. I think you know how I felt. I am glad it came out the way it did, as I'm sure it was best for all concerned. Anyway good luck with "operation" as planned.

I hope we can have ~~another~~ another talk sometime like the one we had last year. It was both interesting and enlightening. You learn lots of things from a talk like that.

This ~~is~~ is the time to say what you know I feel. You are one of the nicest and sweetest girls I have ever known. Since I have known you, I have found ~~a~~ true friend and a sympathetic one. May your future be the best possible that wishes could make it.

Your Friend Always

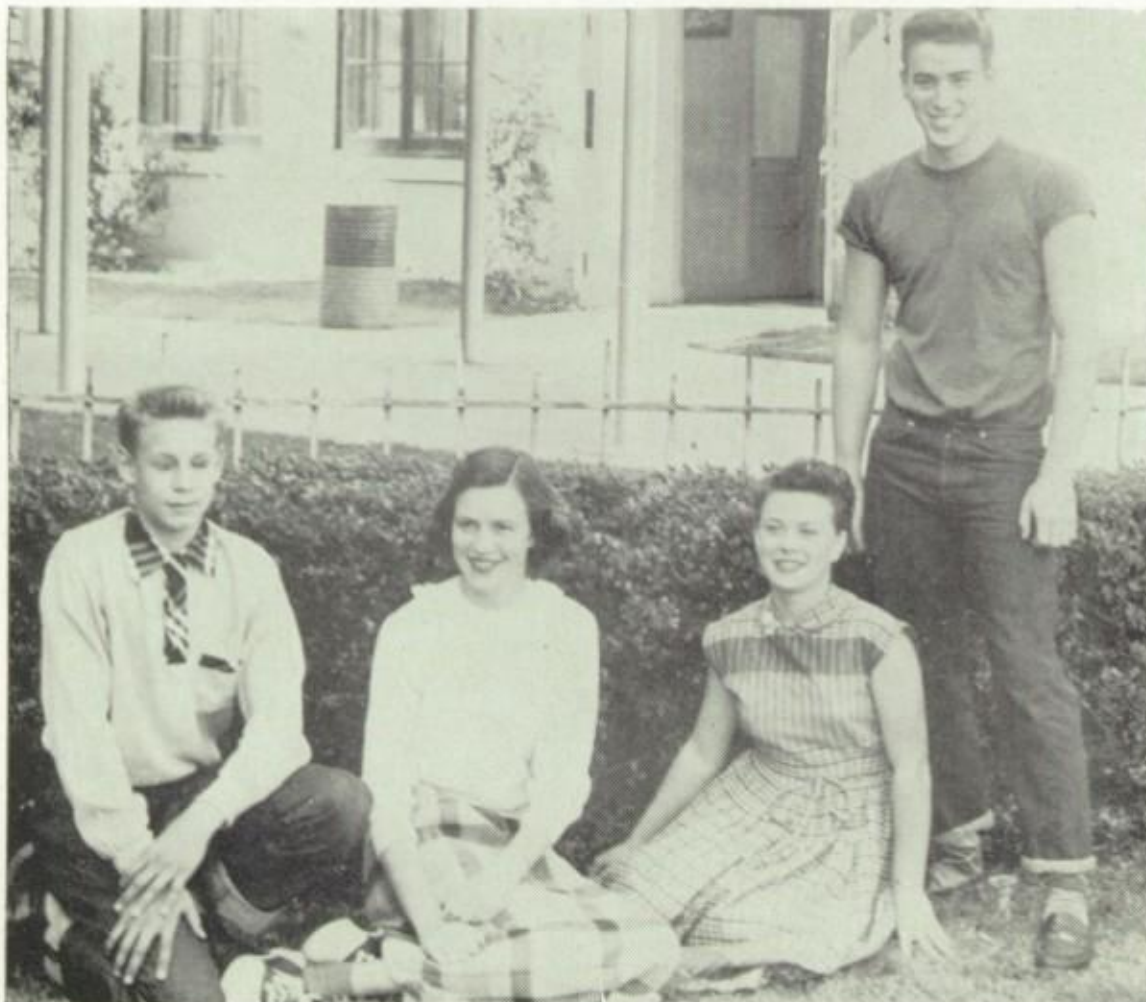

Dear Sally,
 See, what a
 girl!! People that
 say such things & then
 go right ahead and do
 them!! I don't know any-
 one like that, do you?
 Really, I've enjoyed
 being in senior with you -
 especially you're a very sweet
 girl - and I sincerely wish
 you and Susan all the happi-
 ness & good. And always
 stay as sweet as you are -
 that's all I can say.
 Your friend,
 Joyce Allen

Jim Roberts, AU fullback, eludes Orange tacklers as Bob Padilla and Dean Philpott (40) move up on the play. Colonists won 12-0.

Anaheim's 1952 Colonists started off the season against a power-packed Redlands team and were badly beaten, 26-6. Next the Colonists faced the Tigers of Chaffey and were trampled 18-0. It was a low-spirited Anaheim team that met Citrus the next week and were again beaten to the tune of 19-0.

The Colonists then traveled to Las Vegas to face the highly touted Wildcats. Although they gave a good account of themselves, the locals again were beaten, 26-13.

Vorkhorse Dean Philpott (40) carries for the Colonists during the Fullerton game with Paul Grover (13) running interference.

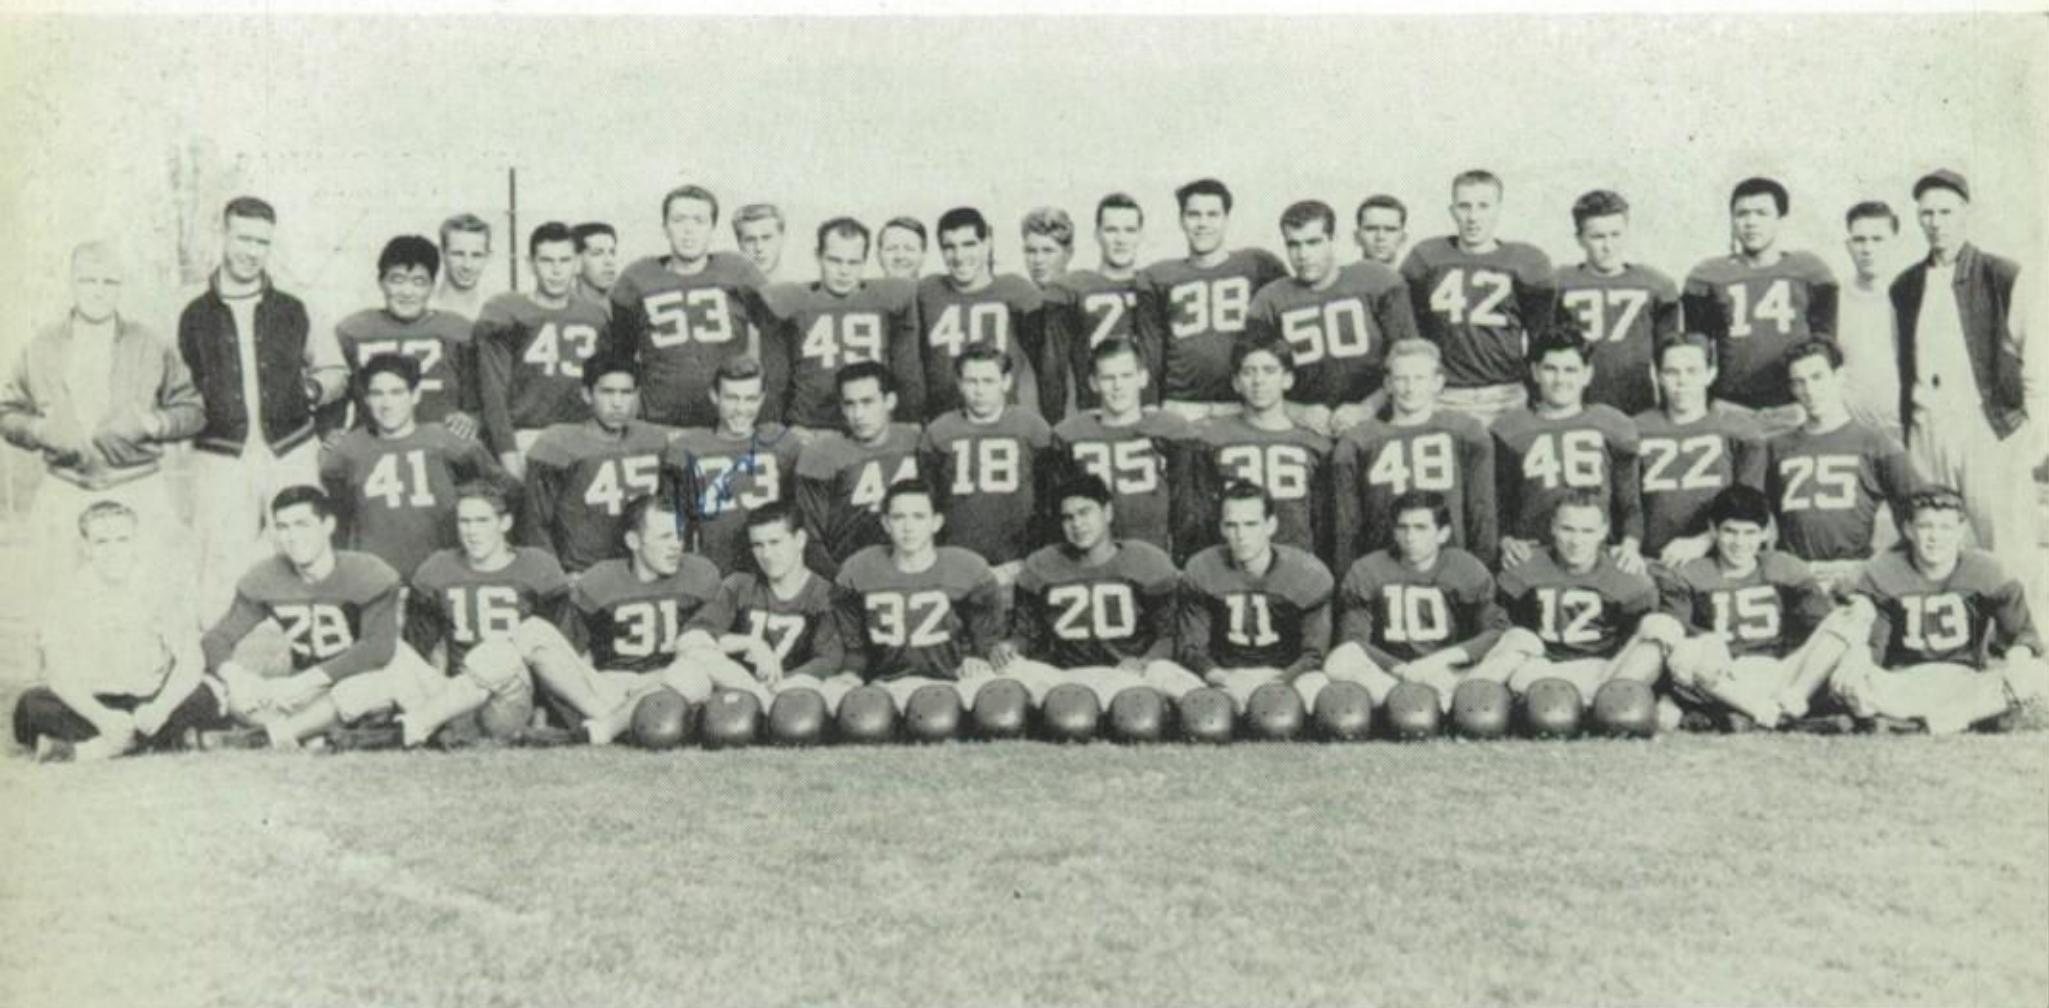

Still smarting from four straight non-league losses, the Colonists opened their league season against Newport and surprised everyone with a 13-7 victory.

The men of Anaheim were in high spirits now and went on to defeat a fast Santa Ana team, 20-13. Anaheim now looked to Huntington Beach, heavy favorites to cop the league title. This contest ended in a 6-6 deadlock, setting the stage for the battle with the powerful Indians of Fullerton.

The Indians had long waited this day to avenge their 13-7 loss to the Colonists in '51. The favored Indians were out-gained the whole game, but managed a 13-13 tie with the gridders of Anaheim.

The following week the Colonists knocked off Orange, 12-0, to gain a tie for the Sunset League championship with Fullerton.

A coin was flipped to see which team would go into the CIF playoffs against Compton and Fullerton won the toss. Compton, however, proved too much for the Sunset League contingent as they dropped Fullerton 20-0, to end the exciting football season of 1952.

G. A. A.

Upholding their motto to the fullest extent were this year's members of G.A.A., its leaders and advisors. Their purpose was to "emphasize the social and educational values of sports as well as physical skill, to promote good team play, co-operation, sportsmanship, and friendship with opponents."

Under the leadership of club advisor Mrs. Elliott and assistant advisors, Miss Derigo, Miss Houlihan, and Miss DuCoty the Girls' Athletic Association had an active year highlighted by play days and the colorful G.A.A. banquet.

Under the leadership of Kay Turner, president of the Girls' Athletic Association, the GAA cabinet planned and prepared an eventful year.

Among the various events recalled by the GAA cabinet of '53 were the GAF conference held at Whittier high school, an Orange County conference in Garden Grove, an installation banquet in May at Anaheim, and the annual board party which included dinner at the El Comedor and a show in Whittier.

Dear Sally - - -

It looks like we finally made it. It sort of seems funny that we should be graduating from high school already. The time sure has gone fast hasn't it?

We've had some real swell times these past years (all of us West Side Kids). The things we haven't done, or maybe I should say the things we have done. That night we followed those guys on their Treasure Hunt. We sure marked up those signs good didn't we. They never guessed who did it!! I can't think of much more to say except I'd like to wish you and John the best of luck in the future. Be good now. I'll see ya this summer.

Love,
Marilyn

Here's Mary who has been job hunting ever since she graduated. She's spent a lot of time... She's talked with quite a few people...but she still hasn't found a job she really likes!

Taylor

And this is Sally. She looked into telephone jobs for girls...and right after graduation she had a really good job...one that didn't require previous experience and paid well from the start.

So why don't you ask your job counselor at school to tell you more about the many advantages you'll find in telephone work...or come in and talk with one of the friendly employment counselors at Pacific Telephone!

Dear Sally,

Perhaps it will be better to sign here than put a picture here.

We have had lots of fun together and I only wish I were going to the beach again this summer (but right now I am so sun-burned that I don't much care).

I was real glad to hear of your engagement but I hope you will continue to go to school because you are very intelligent. Any way I hope to see you at J.C. next year. Just to remember me I would like to say.

Congratulations

ACKNOWLEDGMENTS

For many months I have longed to see the '53 COLONIST completed. Watching it go through its last stages and then on to the press, telling its story of our campus life with its color, excitement, gayety and sometimes anger . . . I can recall the many hours of work spent . . . the times of sorrow and tears . . . and moments of joy for a job well done.

None of this could have been possible without the patient and good humored personality of journalism advisor, Mr. Howard Hall, who lent his time wholeheartedly to guide us through this book.

Then there were those who worked hard long after the sun had set, but still had a smile that picked us up when we had fallen into the depths of misfortune. They were the efficient and ambitious printers, Mr. Lloyd Ross, and Mr. George Lutz, and their capable typesetters: Jerald Ard, Larry Burns, Frank Busald, Jack Crosson, James Mack, Eugene McLaughlin, Melvin Ray, Charles Sowers, and Reese Worden.

Appreciation is also due to JoAnne Clark, Vida Lowney, Marilyn Miller and Mr. Ralph Wines and the advertising department for their splendid job, to Dick Bell, George Hushman and Mr. Ted Wade for their ambitious photography, to the Peterson Engraving Company and Henderson Trade Bindery who capably handled the technical ends of production.

My final words of thanks go to my editors, who have made this book and its contents possible . . . Jan Snow, assistant editor; Gary Knox, Administration; Nan Morales, Activity; Delores Wollenman, clubs; Pat Farmer, classes; Betty Murphy, Girls' Sports; Howard Garey, Boys' Sports; and Dotty Jiles for her Art work and cover design . . . To those who were not editors, a note of thanks is also necessary. Many lent a hand when we needed it.

May this book go with you, that you may always remember your years at AUHS in 1952-53.

JO ANN FAUST
